

REFER-A-FRIEND

to Support the National Campaign for Better Hearing

Please support the National Campaign for Better Hearing – An initiative to help ALL Canadians ages 60 years and older to get a baseline hearing assessment and begin annually monitoring their hearing health.

Please take a minute to complete these 3 easy steps on the back of this referral card.

1. At the top of the card, print today's date, your friend or relative's telephone number and full name.
2. At the bottom of the card, print your full name and telephone number.
3. Present this card to your friend or relative and encourage him or her to call us for a FREE, no obligation hearing assessment.

One positive experience leads to another. As part of this campaign, **we will donate \$4.00 for every hearing test** we perform in order to provide hearing aids for those who cannot afford them.

We thank you for your support!
